### PROJECTS

#### 1. Hotel Website

Developed a responsive hotel booking website using React.js, HTML, CSS, and JavaScript. Focused on creating an intuitive UI for room selection, booking, and inquiries with a mobile-friendly design.

#### 2. Dynamic E-Commerce Website

Built front-end components of an e-commerce platform with product listings, cart functionality, and user login/signup using HTML, CSS, and JavaScript. Integrated with a backend using Python and MySQL.

### INTERNSHIP EXPERIENCE

#### Besant Technologies

**Position:** MERN Stack Intern

Contributed to front-end development using React.js and Tailwind CSS while integrating APIs. Built responsive interfaces and collaborated on UI improvements.
